A SKETCH OF JUDGE THOMAS P. HARGIS, OF LOUISVILLE.

Thomas P Grasty, in Arkansaw Traveler.] No article on Eastern Kentucky could be complete without a word about ex-Chief Justice Thomas F. Hargls, who, besides being permanently lantified with the development of that wonderful region, le la many rewhose history I am acquainted. Iu-

deed. I doubt if there lives to-day another wire has achieved such signal success in the face of such prodigious Thomas Frazier Hargis first saw the light in the county of Breathitt, fortyive years ago last St. John's day. His father had a little farm, kept a village store and a tavern, and practiced law in a crude sort of way, rather as a diversion than a profession, Young Tom speut his boyhood dolug diores and making himself generally useful, occasionally going for a couple of motis to "au old field school," where the chances for learning were pitifully silm. Tili he was a grown man he had never read but two books. Weems' "Life of Washington" and Horry's "Life of Marion," but these

he read and reread till he knew them aimest by heart, and so, by the time the war broke out, these two revolutionary tooks, that told how brave men and true, a century hefore, reour mountain boy a rebel, bone and mariow. Accordingly he rushed off to the war, where his courage made him, ln course of time, a Captain, and after forty-six months of following the fing that failed, he came home to More head, whither his father had meantime moved, no louger a boy, but a residute, determined man. And yet, in the matter of book learning, he was still only a very child, for he had never seen Inside an English grammar. His father wanted bim to keep a country store on Christy Creek, away out strong young Captain had other plans. as he was starting down into the Biuegrass to earn, as a day laborer, enough father compromised by offering him six months' board, scot free, to prove the fully of his "impracticable project." He first got a copy of Smith's English Grammar-he had brought home from a Northern prison a copy of Shakespeare-he borrowed the family Bible and Tucker's Blackstone. These four books he studied patlently and

what came of his "lupracticable Thick of it, young man, you who imagine you have a hard road to travel, you who make mountains out of self-demal, the courage, the beroism it details of Judge Hargis' career from gnorance to culture, from obscurlty to distinction, from penury to affluence, would make a realastic story stranger than Rider Haggard's fiction. His opinions as Chief Justice of Kentucky's highest court are written in a style so graceful, that any coilege in the land an adulteration of iard. The experi- of our own untional expenditure are through at one point at least. At a but he never had a teacher in his ile. His only aima mater has been lils study; his only Instructor that helpful luspiration that Heaven seems to lend to those who long to learn. And what the unaunotated Latiu text! Reading Cleero In the Lathi, this man wire, at twenty-three; knew scarcely the "three R's' of a country school, who knew not the parts of speech of his own

systematically. His visionary idea be-

gan to materialize. Within a year he

was a practicing lawyer, and within

thirteen years from the day he first

learned the difference between a noun

and a pronoun, he was Chief Justice

And, what is perhaps even more remarkable, this mountain boy le to-day one of the most polished gentlemen lu Louisville, a city where good manners Hargis' politeness is a tining of nature rather than of art; and right here I that well proclaims the man-an ineldent that made me almost love him ing in my arms my sieening child, a was a heavy thing tu hold long lu one'a arms Every seat was full, but I had at cotton oil milis would have absorper cent.
